

Health Information Technology (HIT) is a 2-year online degree program that consists of courses in health record systems and related technology courses as well as general education courses. Practical experience in the health information management departments of local health care facilities is an integral part of the program.

STEP 1: ADMISSION TO MCC (must be fully admitted)

The following must be on file with the Admissions Office by the May 1st program deadline:

- ▶ Application for Admission to MCC (indicate **HIT** program on general application)
- ▶ Official High School Transcript or GED Scores
- ▶ All official and updated College transcript(s)
- ▶ ACT Scores, if taken (**MCC does not accept residual ACT scores**)
- ▶ ACCUPLACER scores (if applicable), **must be administered at Meridian Community College**

THERE IS NOT A SEPARATE APPLICATION TO COMPLETE TO BE CONSIDERED FOR THIS PROGRAM.

Email Admissions at admissions@meridiancc.edu for questions about admission status.

STEP 2: PROGRAM REQUIREMENTS

The following information includes the requirements for consideration for the program:

▶ **Minimum Requirements:**

_____ National ACT composite score of **18** (ACT registration at: www.act.org)

OR
